Each office is independently owned and operated

To whom it may concern,

I am currently the number one Real Estate Agent in the Ipswich region and I align myself with professionals within the Industry.

I wish to recommend to you the company of COMPASS Building and Pest Inspections.

In the past 6 years I have referred the team to all of my clients, both buyers and sellers to engage their services.

I find the team are professional, at all times, and their code of conduct is beyond reproach.

Their communication, and educational skills, to both Buyers and Sellers is exceptional.

Trust, is the key to assisting all parties in making an informed decision in purchasing a property.

I invite you to call me to confirm my testimonial at any time.

Yours in service

Helene Shephard

Sales/ Marketing Consultant
